

Ride and Stride Documentation Checklist for Church Coordinators

The following items will be supplied by post in early July :

Poster - This includes a space for local contact details - if you are happy to include your contact details please write them alongside the OHCT logo, maybe ask if you can include those of your Church Office – a few spare copies are available from rideandstrideoxon@ohct.org.uk or downloadable from our website.

Sponsorship Form – Please arrange to have copies made of this or download from our website – they DO NOT have to be on pink paper! **Please ensure your name and address as Church Coordinator is on the front page before distributing them.** If you are able to have a Sign-In desk, a few spare Sponsorship forms should be left with your Welcomers for use on the day as St/Riders visiting over 42 churches may need an additional form. St/Riders who are sponsored via InvestMyCommunity will still need sponsor forms to sign at the churches they visit.

With the exception of the Paying In Form and lapel stickers more copies all other documentation can be downloaded – with lots of very useful extra items including letter templates, marketing support and for those who use social media personally or their church does, suggestions and templates for this.

ON WEBSITE ONLY :

List of Churches Welcoming St/Riders – ONLY AVAILABLE ON OUR WEBSITE – this will be updated regularly, and you can also use the ROUTE PLANNER.

Ride and Stride Banking Record

Please keep a record of money paid into the Ride and Stride account in case of query.
