RIDE + STRIDE for Churches

Sponsored Ride and Stride Saturday 8th September 2018

List of Churches Welcoming St/Riders

Churches are listed in areas (similar to Anglican deaneries) which are listed generally from North to South. These areas have been broken down into smaller groups to help with route planning. There is a route planner on the Oxfordshire Historic Churches Trust website (www.ohct.org.uk/ride-stride) where you can select the churches you wish to visit and a suggested route, map and directions will be provided. Postcodes can also be used to plan a route electronically using Satnav or Google Maps. Churches can be visited in other counties and county boundaries crossed. Use links on www.rideandstrideuk.org to identify which churches are taking part in other counties. You are advised to take a pen with you.

If you are unable to take part on Saturday 8th September 2018 you may do your St/Ride on any other day. The churches may not be open and manned but if no-one is available to sign your sponsor form please complete it yourself.
